**TOWN OF SARDINIA
PROPOSITION No. 2**

In the event and only if a majority of the voters approved Proposition No. 1 thereby terminating and abolishing the existing Defined Benefit Service Award Program for the Volunteer Firefighters of the Memorial Volunteer Fire Company of Chaffee-Sardinia, NY, Inc. effective December 31, 2011, shall the Board Resolution of the Town Board of the Town of Sardinia, County of Erie, State of New York, adopted on September 8, 2011, authorizing the establishment of a Defined Contribution Length of Service Award Program for the Volunteer Firefighters of the Memorial Volunteer Fire Company of Chaffee-Sardinia, NY, Inc.,

Stating that the program will be effective January 1, 2012 and will be administered by the Town of Sardinia; and further,

Stating that the program is a Defined Contribution Program; and further,

Stating that the estimated annual cost of said program is approximately \$33,445.25, including \$28,295.25 representing the annual cost of the defined contribution of \$575 annually for each of the 47 firefighters, and the estimated annual administration fee of \$1,000, and an additional \$5.75 per applicant, plus the death benefit (the amount of which will be \$10,000), the cost of which is approximately \$110 per firefighter for each of the 47 firefighters; and further

Stating that, because the program is a defined contribution program, there is no monthly award to be paid to eligible volunteer firefighters and instead each participant, upon reaching the entitlement age of 65 years or at the time of death or when permanent total disability is established, shall be entitled to a benefit consisting of the amount resulting from the defined annual contribution made by the Town on behalf of such participant, plus interest, less administrative costs; and further

Stating that the number of years of service required to obtain a non-forfeitable right to a service award is 1 year, that life insurance benefits shall commence immediately upon the establishment of the program and that the regular contribution payments into the service program by the Town be authorized to commence one year after the date of the establishment and commencement of the program.

Therefore be approved?
